MINI RECOILLES

TA01074

*Image is for illustration purposes only

PRODUCT DESCRIPTION

The Mini Recoilles is a cannon powered by an electrically initiated 12 gauge cartridge featuring a 19 mm bore barrel. The disrupter can be used with either a water charge or a frangible/solid projectile with a mass of 50g. This advanced device can be equipped for firing either electrically or via shock tube. These features allow the disruptor to be used from a safe distance from the target.
