PORTABLE 360 LIGHTING AREA

TA01081

PRODUCT DESCRIPTION

TAR's 360 Portable Scene and Area Spot Light is the ultimate 7,000 Lumen scene light. It's a rechargeable, self-contained high-quality spotlight with an option for an supplementary 360 degree scene light or powerful 12 degree spotlight. This advanced technology provides 3-20 hours of light (3 light intensities), can be set up in as little as 20 seconds and may be stowed as a 38.5" tube that fits in the trunk of a car. It's ideal for use in the case of nocturnal multi-vehicle accidents, crime scenes, security, and as a command post light.
