RIGID-INFLATABLE BOAT (RIB)

TA02003

*Image is for illustration purposes only

PRODUCT DESCRIPTION

TAR's RIB Boat has been designed to meet or exceed the standards of high performance commando boats. Its steep V-shaped stern allows high speeds which can be maintained even with significant disruptions such as a rough sea and swell, or in seaways where conventional craft are unable to navigate. This next generation tactical innovation is able to carry up to 14 individuals.

- Overall length: 5.25 m (17.20')
