MANUAL RESCUE WINCH

TA06034

*Image is for illustration purposes only

PRODUCT DESCRIPTION

A single-handed, lightweight Rope Rescue Winch, the 21-lb Basic model features the same AC power options as the original version but also incorporates years of field improvements and material upgrades, hosts a dry bearing package and provides 2.2:1 and 6:1 gear ratios. It can be manually operated or hooked to a 110 volt AC 10 amp Power Head for a full range of Rescue, Industrial or Inspection operations.
