PRODUCT DESCRIPTION

The complete breathing apparatus kit is the latest advancement in SCBAS, and meets all NIOSH, CBRN, and NFPA requirements. It includes a new wireless electronics package that extends battery life and reduces signal interference more effectively than Bluetooth technology, a newly-developed NFPA standard-meeting pass device, 2,000 event data logging system, two piece enclosed back frame that protects the pressure reducer, bell, pass alarm, easy to use control console, improved voice amplification system (VAS), and a number of additional features in one comfortable to wear, easy to use package.
