UXO MATTRESS

TA01050

*Image is for illustration purposes only

PRODUCT DESCRIPTION

The UXO Mattress provides minesweepers and military personnel added protection from unexploded mines. By placing the mattress on the ground in an area suspected of containing mines, operators can stand or walk on the location of the mine without setting it off. Forming a series of UXO Mattresses side-by-side allows operators to create a safe bridge enabling them to cross the entire minefield.
